

EDUCATION

Sri Eshwar College of Engineering	B.E(CSE)	CGPA 7.96 (upto 4 th Semester)	2022 -2026
Government Girls Higher Secondary School	HSC	87%	2019-2021
Government Girls Higher Secondary School	SSLC	88%	2018-2019

INTERNSHIPS

MERN STACK - ThisUX 2024

Hands-on experience with a diverse set of technologies, focusing on Hono.js and Cloudflare for backend development, as well as website deployment on Cloudflare. Gained expertise in React and Astro to create user-friendly websites. This experience provided a solid understanding of modern web development tools and frameworks.

ADVANCED MERN – Better Tomorrow 2024

Developed backend applications using Express.js, managed databases with MongoDB, and built dynamic user interfaces with React.js. Learned the fundamentals of Redux for efficient state management, ensuring a well-rounded grasp of contemporary web development practices.

PROJECTS

E-COMMERCE WEBSITE 2024

Developed and managed a specialized e-commerce platform for dresses, enhancing the shopping experience with a user-friendly interface and personalized recommendations. This innovative platform improved sales and customer satisfaction. Leveraged cutting-edge technologies to deliver a seamless shopping experience.

Tech stack: Express.js, MongoDB

ONLINE LAWYER APPOINTMENT BOOKING 2024

Developed an online lawyer appointment booking platform using the MERN stack. Implemented user authentication, appointment scheduling, and functionality for lawyers to view and accept appointments. Enabled clients to track the status of their bookings seamlessly.

Tech stack: React, Express.js, MongoDB

RECIPE MANAGEMENT APP 2025

Developed a full-stack recipe management platform using the MERN stack. Implemented user authentication, recipe creation, image uploads, and recipe categorization. Enabled users to save, edit, and share their favorite recipes seamlessly.

Tech Stack: React, Express.js, MongoDB, Node.js
